ABOUT ME

I am a passionate and an enthusiastic Full-stack web developer and an Open source contributor. Currently exploring new fields and new technologies and improving skills to be the best version of myself. I am open to new opportunities which challenge my limits, especially in open source.

EXPERIENCE

Open Source Contributor Aug 2022- Present

Social Summer Of Code (SSOC)

Contributing to 3 open source projects under the guidance of various project admins and project mentors. Working with different techstacks such as Javascript, HTML, CSS, Node.js to solve various issues in the project.

Contributions link-

<https://github.com/Susmita-Dey/Sukoon/pull/150>

<https://github.com/Susmita-Dey/Sukoon/pull/218>

Open Source contributor July 2022 - July 2022

Vodle

Improved the landing page for an interactive, consensus-oriented group decision app's website. Collaborated with the project admins to solve the issues in the website.

Contribution link- <https://github.com/pik-gane/vodle/pull/176>

EDUCATION

Punjab Engineering College

2021-2025

Bachelors in Civil Engineering

OTHERS

- A [github repository](#) in which I upload all leetcode questions that i solve.
- Completed #100DaysOfCode on twitter.

PROJECTS

Portfolio Website

[Website Link](#)

[Github repository link](#)

My personal portfolio website built using React and TailwindCSS.

Jeevika

[Website Link](#)

[Github repository link](#)

A job platform specially made for labours and job migrants.

Affixity

[Website Link](#)

[Github repository link](#)

A college specific platform for students and alumni to connect with each other.

SKILLS

React
